

What's in the Box

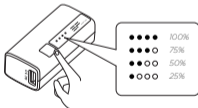

1 RIVER Rapid

1 USB-C to USB Cable

Using RIVER Rapid

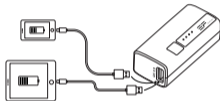

Check the power level by pressing the square button; lights indicate the level of charge available.

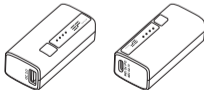

Note: To preserve battery lifespan, please use and recharge RIVER Rapid once every 3 months.

Charge your Favorite Devices On the Go

RIVER Rapid has two output ports: (1) USB QC 3.0 port and (1) USB-C Power Delivery port, that supports rapid charging.

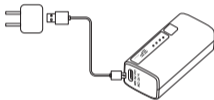

Note: Quick charge is not supported while charging multiple devices at once.

Recharge RIVER Rapid

Use the USB to USB-C cord included to recharge RIVER Rapid, using power delivery for the fastest recharge time.

Note: For the fastest, safest recharge, please use a qualified USB to USB-C Power Delivery cord.
